WESTERN DIVISION

Respondents.	)	

Petitioner sought a writ of habeas corpus pursuant to 28 U.S.C. § 2254. On March 10, 2011, the court granted respondent's motion for summary judgment, and denied petitioner's § 2254 petition. The court also denied petitioner a certificate of appealability.

Petitioner now is before the court once more requesting that it issue a certificate of appealability. Because the court previously denied petitioner a certificate of appealability and because he has not provided any grounds for this court to alter this determination, the court DENIES petitioner's motion (DE # 29).

SO ORDERED, this 24 day of June, 2011.

  
LOUISE W. FLANAGAN  
Chief United States District Judge
